

## TODO List:

For standard and mobile version:

1. Definition of stakeholders
2. Stakeholders / Goal table
3. Content requirements table
4. C-IDM schema
5. L-IDM schema
6. Content examples
7. P-IDM schema
8. Textual scenarios
9. Pages sketches: definition of layout and presentation
10. Interactive scenarios (2-3): representation of interactions of sketched pages, using real content and links in a semi-final layout. Highlight links activated in each single step.
